

Thank you so much for joining us this evening to thank God for his blessing of Christianity Explored Ministries throughout the past year. We are delighted to share with you some of the opportunities and challenges of the coming year.

We know that without God's help we will be unequal to the task that lies ahead for 2024, and so we would love your prayers for us as we seek to resource Christians to share Jesus.

- Would you use this programme as a reminder, and help us by praying through the initiatives you've heard about this evening?
- Would you consider signing up for our monthly prayer letter, so you can hear encouraging updates and prayer requests throughout the year? To receive the prayer letter visit [christianityexplored.org/pray](https://christianityexplored.org/pray).
- If you would like to donate to the work of Christianity Explored then you can find out more by visiting [christianityexplored.org/donate](https://christianityexplored.org/donate) or speaking to one of the team members this evening.

Thank you for partnering with us in this ministry, we are so grateful for your support.
